# What We Want

## System Outcomes

- All children have access to high quality, culturally responsive early care and education that promotes their optimal development.
- All children have access to high quality, preventative and continuous health care, including physical, mental, oral and nutritional health.
- All families have the information, services, and support they need to help their children achieve their fullest potential.
- All early childhood education and health professionals are well prepared, highly skilled, and compensated commensurate with their education and experience.
- The early childhood system is high quality, child and family centered, coordinated, integrated, and comprehensive.
- All Arizonans understand the importance of the early years, and the impact of early childhood development, health, and education on Arizona's economy and quality of life and, as a result, substantially support early childhood development, and education both politically and financially.
